

# PBIS

Dear parents, local businesses, and family members,

Horizon is soliciting donations for items in our student's PAWS store! Please read below to see how you can help.

Horizon Middle school is a Positive Behavior Interventions and Supports (PBIS) school. Consequently, we are building a system where we positively recognize students in a variety of ways. We have a positive behavior incentive program that allows students to earn "Paws" when they are "caught" exhibiting the PACK attributes of Persevering, Achieving, Connecting and (showing) Kindness. Using the Paws, students then have the opportunity to "purchase" items at the Paws store, and that is where you come in.

Horizon has a "Paws Store Wish List" established with Amazon.com. The arrow below will take you to this list where you can purchase items for our Paws Store. Amazon will automatically mail the items to the school. Your donations will be contributing to our school's PBIS efforts, rewarding and reinforcing student's positive behavior, and they are tax deductible!

Please feel free to contact Katie Sinning [ksinning@cherrycreekschools.org](mailto:ksinning@cherrycreekschools.org) or Jamila Gordon [jgordon21@cherrycreekschools.org](mailto:jgordon21@cherrycreekschools.org) if you have any questions about PBIS or the Paws incentive program.

Thank you in advance for your help!
