

Dear Horizon Community Middle School Parents and Guardians:

Horizon Community Middle School will honor our community veterans, reservists, and active-duty military personnel with a Veterans Day breakfast and grade-level living history museum on Monday, November 12. As part of the living museum, students will have time to walk around and ask you questions about your service and experiences. All community members who have served, or are currently serving our country are invited to attend with their friends, families, and loved ones.

Breakfast begins at 8:00 a.m. in our library, and the living history museum will begin at 8:55 a.m.

Please have your student return this RSVP to his/her social studies teacher by Thursday, November 8. You can also RSVP to Mr. Evan Henderson at ehenderson3@cherrycreekschools.org.
